## TEE UP TO SUPPORT BREAST HEALTH

**WHITE SALMON, Wash.** – The Skyline Foundation invites you to tee up on Saturday, August 19 for its annual Skyline Scramble golf tournament. This spectacular day of golf presented by Crestline Construction, will raise funds to support Skyline Hospital’s Breast Health Program, which provides free mammograms and diagnostic testing for the under/uninsured.

“We are excited to host this annual event and thankful for our sponsors who make it possible for us to support vital health and wellness programs in our community,” said Ricky Knowles, Skyline Foundation president. “It’s thrilling to know through donor generosity, we are able to bring this life-saving screening to patients who otherwise may not receive it.”

This year’s Skyline Scramble is being held at Indian Creek Golf Course in Hood River, Ore., and has limited space. Pre-registration is required. A team of four is \$400 and includes golf, cart, snacks, lunch and beverage. In addition, golfers will have a chance to win a 3-year car lease compliments of Griffith Motors, and prizes will be awarded for longest drive and closest to the pin.

To register a team or for sponsorship information call 509-637-2603. Registration deadline is August 11.

The Skyline Foundation thanks our presenting sponsor Crestline Construction, as well as supporting sponsors A Kidz Dental Zone, Budnick Family, Anesthesia Associates Northwest, LLC, HRS/Intalere , Ray Schultens Motors, Blue Room Architecture & Design, Coverys, Dingus, Zarecore, & Associates, and Bob and Heather Weisfield.

### **About Skyline Foundation**

The Skyline Foundation is 501(c)(3) nonprofit organization dedicated to providing accessible and quality health care for the residents and visitors within Skyline Hospital's service area. Its mission is to support, enhance, and expand the activities of Skyline Hospital and improve the health and well-being of all the people it serves.

The Skyline Foundation accepts gifts to support all hospital programs, purchase medical equipment, support community education and provide staff training.
